## GRAPE THERAPY CABERNET SAUVIGNON

An unpretentious wine full of personality. A Cabernet with intense ruby colors bursting with berries on the mid-palate and soft, round tannins finishing with a touch of spice.

### SOIL

Rich alluvial soils of the San Joaquin Valley, the area between Stockton and Lodi. Rich, dense and packed with nutrients, these soils provide an environment that along with a growing season full of long warm sunny days, allows grapes to flourish and develop tremendous flavors.

### PRODUCTION TECHNIQUE

Grapes are fermented in stainless steel tanks. Following fermentation, the wine is aged for 9 months, taking full advantage of oak and stainless steel. Wine develops with soft tannins and firm texture.

### BOUQUET

Rich nose of black cherry, cola and berry pie.

### TASTE

Soft and round. Well-structured bursting with berries on the mid-palette. Finishing with a touch of spice.

### FOOD PAIRING

Pairs well with marinated skirt steak and garlic mashed potatoes.
